

To whom it may concern:

My name is Sharon Korter. I started a Full Service Salon and Spa in Portland in 1982. After 20 years, I became very interested in selling my business and Ray Hanson was recommended to me as someone who would be able to establish a market value for my business, and as an ethical and very capable business broker. We completed the sale of my business in June of 1994 and I felt confident the entire way through the process that I was in capable and trustworthy hands.

Over our time together I have grown to know Ray as more than a trustworthy business broker. He has become a caring and dear friend. He also makes time to be enthusiastically and energetically involved in the community on many levels. He was a delight to work with, and I continue to value his business acumen and his friendship.

Sincerely,

Sharon Korter
